

2nd Sunday of Lent Spiritual Exercise

- 1) Read the passage. Try and imagine Jesus Christ bursting with light. Write your thoughts about this experience.

- 2) Now, imagine that you are called to burst with light as well. Describe what it might feel like if you “radiated the light of God.”

- 3) Talk with Jesus about the kind of saint you are called to be. How do you see yourself shining in your current or future vocation? How are your habits helping you to reach those goals? Use the prayer sheet if needed.
